

Dynamically disinfecting the air we breathe and the surfaces we touch

*with the combination of organic and natural
Hydroxyls and Ions.*

KILL BACTERIA, GERMS, VIRUSES AND MOULD

AIRsteril by Fortress Air gets to the root cause of the problem by breaking down and eliminating bacteria, germs, viruses and mould to significantly reduce illness and cross infection.

Kills common cold, DNA viruses (chicken pox, influenza), RNA viruses (COVID-19, measles and stomach flu).

REMOVES ALLERGENS, ODOURS AND VOCs

Are unpleasant odours causing discomfort? Do you worry about infections and compromised hygiene?

In many cases even regular cleaning and disinfecting are simply not enough.

AIRsteril is specifically designed to address these issues, providing your facilities with a fresh, clean environment.

BENEFITS OF USING FORTRESS AIR SOLUTIONS

The health and comfort of students and teachers are among the many factors that contribute to learning and productivity in the classroom, which in turn affects performance and achievement.

Good indoor air quality has the potential to improve the productivity, morale, health and welfare of students and staff resulting in:

- Decreased absenteeism.
- Increased cognitive function.
- Increased teacher, staff and student performance.

Breath clean, fresh air and maintain hygienic learning spaces

The Healthy Air Solution

DYNAMICALLY DISINFECTING THE AIR WE BREATHE AND THE SURFACES WE TOUCH

- Kills pathogens (bacteria, germs, fungi and viruses).
- Kills mould and mould spores.
- Removes Particulate Matter (PM2.5 & PM10).
- Removes Volatile Organic Compounds (VOCs).
- Safe to use around people, animals and plants.
- Offers continuous cost-effective protection 24/7.
- Simple to install.
- Chemical and filter free. Does not require expensive filter replacements e.g. HEPA filters

PERFECT FOR USE IN

- Schools and classrooms.
- Libraries.
- Waiting rooms.
- Washroom, showers and toilet facilities.
- Office spaces.
- Reception areas.
- Doctor and dentist rooms.

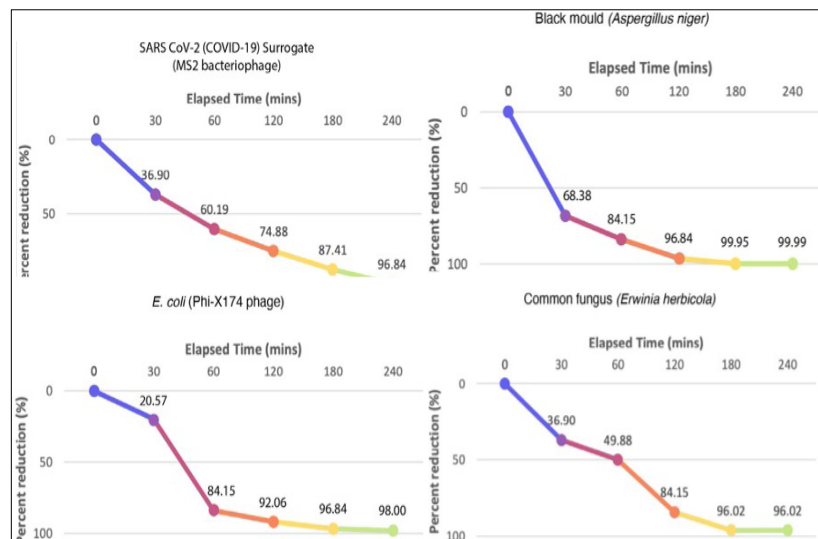

AIRSTERIL BY FORTRESS AIR IS YOUR RELIABLE CHOICE

When you choose AIRsteril, you choose a chemical free and filter-free solution backed by independent laboratory testing.

Visit www.fortressair.com.au to view our full product range

Independent testing is a critical component of our quality control process. Our manufacturing partners work with leading third-party testing laboratories to evaluate product performance and durability to international standards. The independent tests conducted provide our customers with the assurance that they are investing in products that have been thoroughly evaluated and proven to be effective. We are committed to providing high-quality air purification and surface treatment products that improve indoor air quality.
